

WEST Search History for Application 10816571

Creation Date: 2008051316:54

Query	DB	Op.	Plur.	Thes.	Date
benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or n\$1alkyltrimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyltrimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyltrimethylammonium chloride or dioctyltrimethylammonium chloride or dialkyltrimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecyltrimethylammonium chloride or lauryltrimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryltrimethylammonium chloride or dioctyltrimethylammonium chloride or dimethylbenzylammonium chloride	PGPB, USPT	ADJ			05-13-2008
isopropyl	PGPB, USPT	ADJ			05-13-2008
(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or n\$1alkyltrimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyltrimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyltrimethylammonium chloride or dioctyltrimethylammonium chloride or dialkyltrimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecyltrimethylammonium chloride or lauryltrimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryltrimethylammonium chloride or dioctyltrimethylammonium chloride or dimethylbenzylammonium chloride) and (isopropyl)	PGPB, USPT	ADJ			05-13-2008
lesion or sore or pox or pustule	PGPB, USPT	ADJ			05-13-2008
(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or n\$1alkyltrimethylbenzylammonium chloride or	PGPB, USPT	ADJ			05-13-2008

diisobutylphenoxyethoxyethylmethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecylmethylammonium chloride or dioctylmethylammonium chloride or dialkylmethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecylmethylammonium chloride or lauryldimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryl dimethylammonium chloride or dioctylmethylammonium chloride or dimethylbenzylammonium chloride and isopropyl) and (lesion or sore or pox or pustule)					
smallpox	PGPB, USPT	ADJ			05-13-2008
(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyl dimethylammonium chloride or alkyl dimethyl ethylbenzylammonium chloride or n\$1 alkyl dimethylbenzylammonium chloride or diisobutylphenoxyethoxyethylmethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecylmethylammonium chloride or dioctylmethylammonium chloride or dialkyl dimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecylmethylammonium chloride or lauryldimethylbenzylammonium chloride or o benzyl p chlorophenol or dideryl dimethylammonium chloride or dioctylmethylammonium chloride or dimethylbenzylammonium chloride and isopropyl and lesion or sore or pox or pustule) and (smallpox)	PGPB, USPT	ADJ			05-13-2008
